Profile

Ruby on Rails developer with 3+ years of experience on a Rails monolith, including a year as lead developer, and two Rails 8 apps in production that I built on my own. Switched to web development in 2022 after a first career in publishing. I enjoy owning a product end to end, from the database to production, and building useful tools that respect their users.

Experience

Personal Projects in Production

2026 - present

Designed, built and deployed on my own

Two installable Rails 8 PWAs (Hotwire, Tailwind CSS, SQLite, Solid Queue), with GitHub Actions CI and Kamal deployment on a Hetzner server.

- Move the Spark (movethespark.com): gamified personal planner, Web Push reminders scheduled by Solid Queue, per-user data isolation
- Cook It Green (cookitgreen.com): vegan meal planner where a solver sets ingredient weights to the gram for each user's nutrition targets, recalculating all 48 dishes in about 800 ms

Ruby on Rails Developer

Sept 2022 - Feb 2026

La Fresque du Climat (Climate Fresk), Paris

Web platform used by an international organisation to run workshops and manage its teams (multi-service Rails monolith).

- Lead developer on the project in the final year
- Back-end and front-end features: workshop management, ticketing, internal tools
- Designed APIs for integrating external data through no-code tools
- Automated tests with RSpec and Capybara, Scrum with the product team

Production Technician

Nov 2018 - Apr 2022

Auzou Éditions (2020-2022), Editis (2019-2020), Hachette (2018-2019), Paris

Oversaw book production from quotes to printing: schedules, suppliers, deadlines.

Skills

Back-end
Ruby, Ruby on Rails, PostgreSQL, SQLite, Solid Queue

Front-end
JavaScript, Stimulus, Turbo, Tailwind CSS, HTML and CSS

Testing and quality
RSpec, Minitest, Capybara, TDD, RuboCop, Brakeman

Deployment
Docker, Kamal, GitHub Actions

Methods and tools
Agile, Scrum, Git, GitHub, GitLab, Claude Code

Education

2022
Web Developer Bootcamp
Le Wagon

2016 - 2018
BTS in Publishing
Work-study programme

Languages

French, native
English, fluent
